

**STATE OF ALASKA
RECRUITMENT NOTICE**

Director (Superintendent), Mt. Edgecumbe High School

POSITION DESCRIPTION

The Alaska Department of Education & Early Development is accepting applications for the Mt. Edgecumbe High School Director/Superintendent. We are seeking an applicant who embodies the Department's mission of ensuring an excellent education for every student, every day. The Superintendent of MEHS will provide a challenging education that values the unique cultural diversities and traditions of Alaskan students while preparing students to become successful, responsible global citizens.

The Director will ensure curriculum and activities offered by the school engage students in discovering and expanding their talents with multiple innovative opportunities, allowing students prepare for the changing world they live in. The Director acts as a leader to all school staff in inspiring students to meet high expectations for learning and living. The Director supervises the school's overall operations, including the academic, residential, and business operations, which includes oversight of the Mt. Edgecumbe Aquatic Facility.

Located in Sitka, Mt. Edgecumbe High School is a boarding school enrolling 400 students, grades 9-12, and operated by the State of Alaska Department of Education & Early Development. Enrollment preference is given to students from communities without high schools. The State Board of Education & Early Development serves as the governing board for Mt. Edgecumbe High School. In addition, the Mt. Edgecumbe High School Advisory Board meets regularly to offer guidance to school administration.

The position is partially exempt, Range 27, with a base salary of \$4,158.75 biweekly (\$108,127.50 annually). Starting salary may vary depending upon experience and qualifications. State housing on campus is available, subject to a rental fee. Job responsibilities will begin no later than July 1, 2022.

Key responsibilities of the Mt. Edgecumbe High School Director include, but are not limited to:

- Supervising the educational, residential, and fiscal resources of Mt. Edgecumbe High School to ensure compliance with state and federal guidelines.
- Providing leadership and direction for the educational and residential programs.
- Ensuring the health, welfare, and safety of the student body.
- Planning and directing capital construction, renovation projects, and maintenance operations.
- Negotiating and administering private contract agreements for campus security, student food service, custodial services, and dormitory management.
- Directing school admissions and enrollment.

- Meeting and conferring with a variety of public representatives, parents, and private individuals on issues relating to the school.

MINIMUM QUALIFICATIONS

- Master's degree in education and five years' experience in the field of education.
- Current Alaska Type B Administrator Certificate with Superintendent Endorsement, proof of eligibility to obtain this certificate, or a plan to acquire the endorsement within 1 year of hire (or other such timeline set by the Commissioner).
- Minimum of three years employment as a teacher.
- Minimum of one year of employment as a superintendent, assistant superintendent, director/senior district administrator, or high school principal.

DESIRED SKILLS AND ABILITIES

- Demonstrated successful experience in instructional leadership.
- Demonstrated successful experience in curriculum development.
- Experience integrating virtual learning options into curriculum offerings.
- Effective interpersonal skills, particularly with diverse cultures.
- Effective oral and written communication skills.
- Demonstrated success in working as a team member.
- Experience working with culturally diverse populations.

HOW TO APPLY

Submit a letter of interest outlining the reasons the applicant is interested in serving at MEHS, a current resume, a copy of the candidate's certification, and three letters of recommendation. In the letter of interest, the applicant must also describe the following: *1) the applicant's core values and beliefs about teaching and learning; 2) learning and the role of the family -- both of which should be in the context of a residential school environment.*
